REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Examiner was persuaded by applicant's arguments that it would not have been obvious for one of ordinary skill in the art to combine the teaching of Keller's movement detector with the kaleidoscopes of Gonzales and Karadimos, both toy devices, to obtain the claimed invention. Therefore, the claimed invention is considered allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
